

ST LOYE'S FOUNDATION

Understanding, Supportive, Life Changing

Who are we?

St Loyal's Foundation is a national charity based in Exeter, Devon. We offer over 70 years' experience in training, developing and supporting people with physical or mental health issues and disabilities back into lasting employment.

What do we do?

We provide people with the skills and experience they need through our range of training courses and personalised development and support packages to empower them with the skills, confidence and ability to secure lasting employment.

How do we do it?

We pride ourselves on our person-centred approach, treating every person as unique and addressing their own specific set of requirements and needs, whilst ensuring a realistic employment goal. We achieve this through a dedicated team of case managers, development and support workers as well as job search enablers.

What training courses do we offer?

We offer a range of in-house courses as well as a number of courses offered through outsourced training providers.

Our in-house range of courses includes:

-  Land Based Skills (Horticulture)
-  Catering
-  PC Support and Repair
-  Business Skills
-  Office Procedures
-  Customer Relations
-  PAT testing
-  Computer Aided Design
-  Health & Social Care

How do we fund it?

Part of our funding is received from the Government, but we rely on voluntary donations to undertake our vital work and help to make a difference to people's lives.
