

# Sponsorship

St Loye's Foundation is continuously looking at new and diverse ways 'to provide the best training and support to people with disabilities'.

We believe in our vision that 'each and every individual should have the opportunity to achieve their maximum potential, irrespective of natural abilities or setbacks experienced in life.'

With the support from local and national organisations that are willing to engage with us, we can continue to provide a range of services that can help many more people achieve. There are benefits to becoming a sponsor and we are happy to discuss these through with you.

To arrange an informal meeting to discuss sponsorship in more detail, please contact the Corporate Fundraising Team on:

**Phone:** 01392 255428

Supporting us to help people achieve

## Why be a sponsor?

We can provide:

- A structured fundraising plan based around our 'Go for Gold' challenge, with individuals and businesses setting their own goals on which to base their fundraising up to 2012.
- Specific media releases to announce relationship and publicise fundraising activities to profile your brand and CSR activities.
- Company logo with referral link to your website and presence on [www.stloyes.org.uk](http://www.stloyes.org.uk).
- Use of the St Loye's Foundation brand as a cause related marketing tool.
- Promotion in the St Loye's monthly newsletter, distributed to all supporters of the Foundation.
- Dedicated and regular contact from St Loye's.
